Commodore's notes

At last... The moorings are down and the cruisers launched—so the Summer sailing season is underway—still a few more boats to go in but with the great weather, expect to see the full fleet soon! Its been encouraging to see the great response to dinghy sailing, lots of competition and some new faces. Let's hope for a great Summer—especially during Festival Week—watch website for regular updates

Club news... bits n'pieces

The Clubhouse was recently painted in preparation for the Summer season—let's keep it looking ship shape!

The Committee has agreed to improve the snooker room for younger members—watch out for new seating!

Given the recent thefts from the Boat Park, there are plans to erect new and better fencing, the Committee will look at quotes at its end June meeting.

Now that the cruisers are launched its time for a clean up of the boat park! Barry will be organising a work party—so think about volunteering.

Andy Hillan (Sailing Sec) is still looking for OOD's. Training can be organised so contact Andy if you are interested.

Ebb & Flow will be posted to all members over the Summer months. Plans to make it web based only will be considered in the Autumn.

New developments in Loch Fyne

Good news for CSBC sailors venturing to Scotland this year. East Loch Tarbert has at last installed new pontoons (90 berths) together with a new toilet/shower block (see pic below).

In addition, a new Marina (230 berth) has opened at Portavadie (opposite Tarbert) with bar, restaurant and holiday cottages. If you're planning a visit, give us an update?

CSBC 50th Anniversary... 2011

The Committee will soon beginning looking ahead to the Club's 50th Anniversary in 2011. From small beginnings in 1961, CSBC has grown to become one of the best sailing clubs in NI and today many 3rd generation of Club families are sailing in Red Bay. So its time to start thinking about how we might celebrate... guest speakers, Regattas, Formal Ball, new trophies and maybe a book?? Ideas?
