

CSBC Festival Ebb and Flow Aug 2009

Commodore's notes

After a great start to the season, the winds seems to have been very erratic recently. We have had everything from strong on-shore easterlies (dinghies couldn't launch) to absolutely no wind at all... so sailing in June was challenging! Let's hope better winds this month. Lot's of cruisers in the Bay and it's great to see some visiting yachts stopping at CSBC.. July is a very busy month for the Club with our annual Sports Day (on Waterfoot Beach), Campbeltown coming to us and the Dinghy Regatta. There is lot's going on in the bar with music and table quizzes every week. Don't forget to book with Michael for the Campbeltown Dinner as tickets are limited — **Barry Emmerson (Commodore)**

Sailing News

Well done to all the cruisers who took part in the Campbeltown weekend—despite stops in Sanda and James doing a night passage—the fleet assembled in Campbeltown on Sat July 4th. Good sailing and good company by all accounts! CSBC won the first leg so watch out for competition on the return visit (July 25th).

Date for your diary—CSBC Annual Dinner will be held on Oct 17th.

The kids dinghy sailing on a Sat morning has been a great success with lots of boats on the water. Sailing Sec (Andy Hillen) is making a plea for more parents/instructors to come along and help. Contact him if you can get involved.

A big thank you to Ciaran O'Reilly for providing the great photos for this edition of Ebb and Flow. If you have any pics of events please email to AnnmcLaughlin2@aol.com for the next edition by 20th Aug.

Congratulations to Gary and Claire Fyfe on the birth of a new baby boy.

Lead Cruiser in the Tuesday points (so far) is Aurora followed by Osprey and Insider, looks like the competition is hotting up—see website.

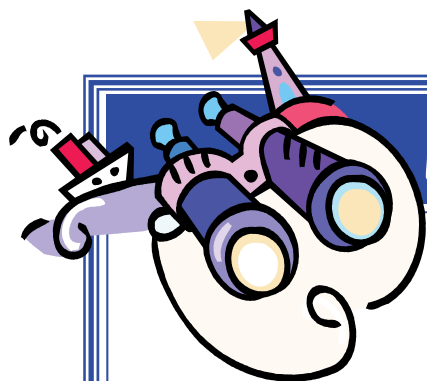

Oops....

CSBC website has regular updates on events and race results. Thanks to Andy Hillen the results tables are now in a format that everyone can understand! Log on and take a look and give us some ideas— www.csbc.co.uk

Like the new engine on the crash boat!!! The 'graffiti style' paint job is courtesy of Redbay Boats—lets hope it will make the outboard less attractive to thieves...on the other hand...

JUNIOR SAILING ON SATURDAY

Every Saturday morning at 10am, a substantial number of kids appear at the club for junior sailing. We **URGENTLY** need volunteers to help with this event, (eg boat launching and recovery, cooking dogs or burgers after sailing, and with rescue cover. All kids are welcome, as long as they have some sailing experience and we would like their parents to get involved in helping with the event. All we ask is £1 from each child that will contribute to rescue boat fuel. No need to book, but kids need to register with the dinghy instructor on the day. Dinghy instructors will be paid a gratuity for helping and should contact Andy Hillen or Mary Farrell if they can help.
