

Festival Ebb and Flow Aug 2011

Commodore's notesIt was a busy July, and August is shaping up to be another jam packed month full of events and sailing. The Cruiser Regatta was sailed in ideal conditions with strong breeze and sunshine and ended with Aurora taking the overall prize. Well done to them. It was a super weekend and fantastic to see so many boats on the water. Hopefully this fine weather will continue! The Glens Festival is fast approaching and there is a full schedule of great events which will suit every taste. We've Campbeltown away coming up towards the end of August and incorporates the Mull of Kintyre Music Festival. Another lively weekend to look forward to! I'll just take this opportunity to wish all our members the very best for the remainder of the summer holidays and I hope you see you around the club during the festival and fireworks display.

Pull harder lads!

Cushendun Sports Day

A big thank you to all members (and boats) who turned out to our Annual Sports Day in Cushendun—despite a few anchors dragging—it was a great fun day with a BBQ on the beach and the usual tug of war! Happy days.....

JB Wilson Regatta Cup

Congratulations to Aurora who won the JB Wilson Cup at the 50th Annual Cruiser Regatta. Saracen took 2nd place with Seabird and Osprey taking the honours in the cruiser class. Great to see some EABC joining us for the day and the BBQ and music was enjoyed long into the evening!

Campbeltown Away Weekend (19th-21st Aug)

A weekend not to be missed! The cruisers plan to leave on Friday to arrive in Campbeltown that evening—with the usual supper hosted by C'town Sailing Club. Saturday will be a racing day so lets hope for favourable winds in Campbeltown Loch. That evening there will be a Dinner followed by the results and prize giving. Could all boats give crew numbers to Andy Hillan asap so he can liaise with Campbeltown on numbers for supper and Dinner. And an added attraction—its the Mull of Kintyre Music Festival—check it out www.mokfest.com

Help us make a CSBC Float?

We have promised to enter a CSBC float in the Festival parade this year—so we need some help! The two suspects below are organising the building of the float—but they need help and ideas! So if you would like to get involved or could donate materials then contact Barry (07740623202) or Gary at Red Bay Boats.

Volunteers Needed!

The Club runs best when lots of members volunteer their time to help—so we need you! We are always on the look out for members who would be willing to (a) help with work parties (bar open afterwards!) (b) BBQ or help with catering for events (c) help with rescue boats or slipway management (d) help clear up after major events (e) join the team of stewards for Festival events—so if you would like to help—contact Barry Emerson or Gary Fyfe asap!

In a pensive mood....

More boats join the CSBC Cruiser Fleet!

This month, we welcomed two new cruisers to the CSBC fleet in Red Bay. Emmet Connors 44 Magnum 'Twister' arrived from Willy's yard after much work and refurbishment over the winter months...leaving Willy more time to now focus on Helga?? Martin McCann then launched 'Tomb Raider'..... Another new addition. Great to see more boats at their moorings—now all we need is a Marina!

Cara at Sailing School

Annual Dinner (Oct 22nd)

Just some advance notice—a bit like Save the Date for a wedding! This year the CSBC Annual Dinner will be on Sat 22nd Oct in the Clubhouse. Tickets will go on sale at the beginning of Oct and numbers will be strictly limited due to space—so book your places (or tables) early!

Sailing School proves a great success!

Its been another great year for the Sailing School, helped by ideal condition for the kids—calm seas and light winds! ... And the addition of the kayaks has been very successful—lots of fun on the calmer days! Lets hope the kids keep sailing and come back to practice on the Sat morning junior sessions—toppers can be borrowed from the Club—so Mum/Dad don't worry if your child hasn't got a boat—thats no excuse—we'll organise one!
